To Whom It May Concern:

I worked closely with Elizabeth Mathieson from Choice Office Furnishings in January of this year to coordinate an office start up in Calgary, Alberta. She assisted me with color choices, space configuration, and pricing. Elizabeth followed through with on site visits to assure that the furniture fit the offices and was within our price range. She was very accommodating even when I made changes to the orders. Her follow up ensured that our furniture arrived on time and was exactly what we wanted. She has a very professional attitude and pleasant demeanor. I enjoyed working with her on this project and would not hesitate to recommend her in any future endeavors she attempts.

If you would like to discuss this further please do not hesitate to call me at 403-301-7474.

Sincerely,
