

TO WHOM IT MAY CONCERN:

RE: CHOICE OFFICE FURNITURE LTD.

Just a quick note to let you know that after dealing with Trish at Choice, I wouldn't even consider going anywhere else.

Trish's ability to deliver quality items on time and on budget, her attention to detail and her affable customer service skills would make that impossible.

Thanks Trish – great work. I am pleased that Choice is doing so well and all our best wishes with your grand opening.

Regards,
