# Worksurface Protective Screens

Organize your workspaces to ensure the safety of your teams with Artopex laminate or acrylic protective screens. These screens can be fixed on work surfaces to create safe spaces that maintain the design integrity of your work environments.

## Available sizes

Width: 24" to 72" for fixed or height adjustable surfaces

Height: 24 1/2" above surface

Available finishes: Laminate and clear or frosted acrylic

Supports: Silver finish

**QUICK SHIP**

## CONFIGURATION TYPE

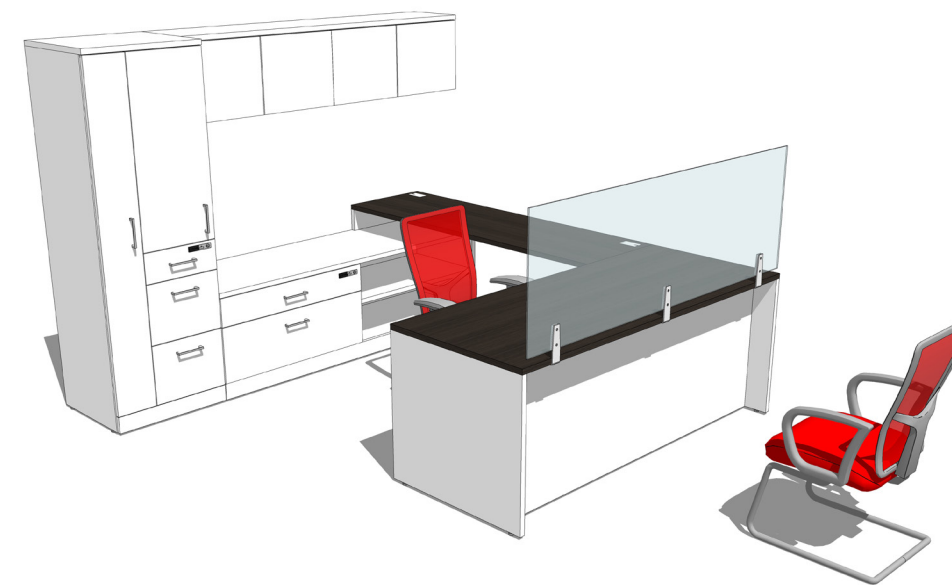

### no. 1

Choose either laminate or acrylic screens to ensure security between stations while providing more privacy.

## CONFIGURATION TYPE

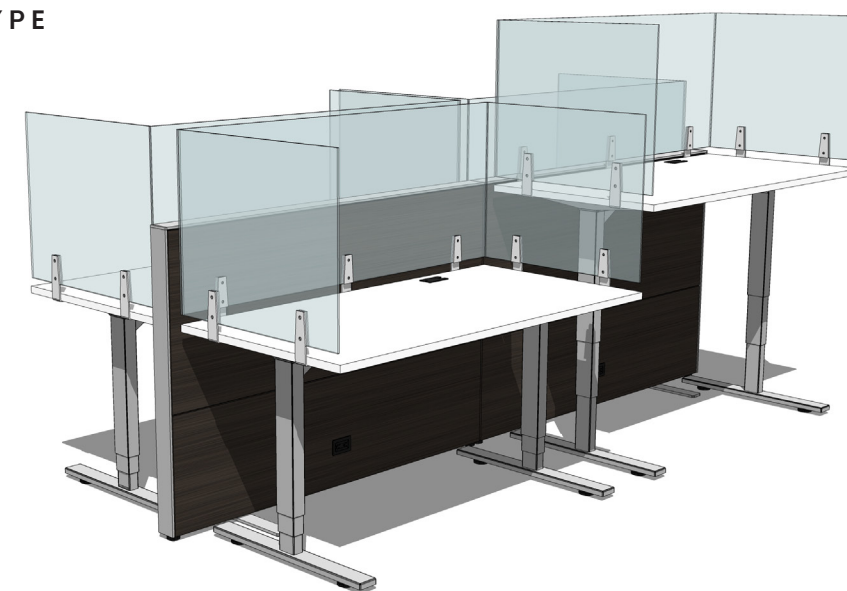

### no. 2

Add a protective screen in front of your workstation to create a safe distance from your visitors.

## CONFIGURATION TYPE

### no. 3

Attach the screens to the surface of height adjustable tables to maintain standing height protection.
