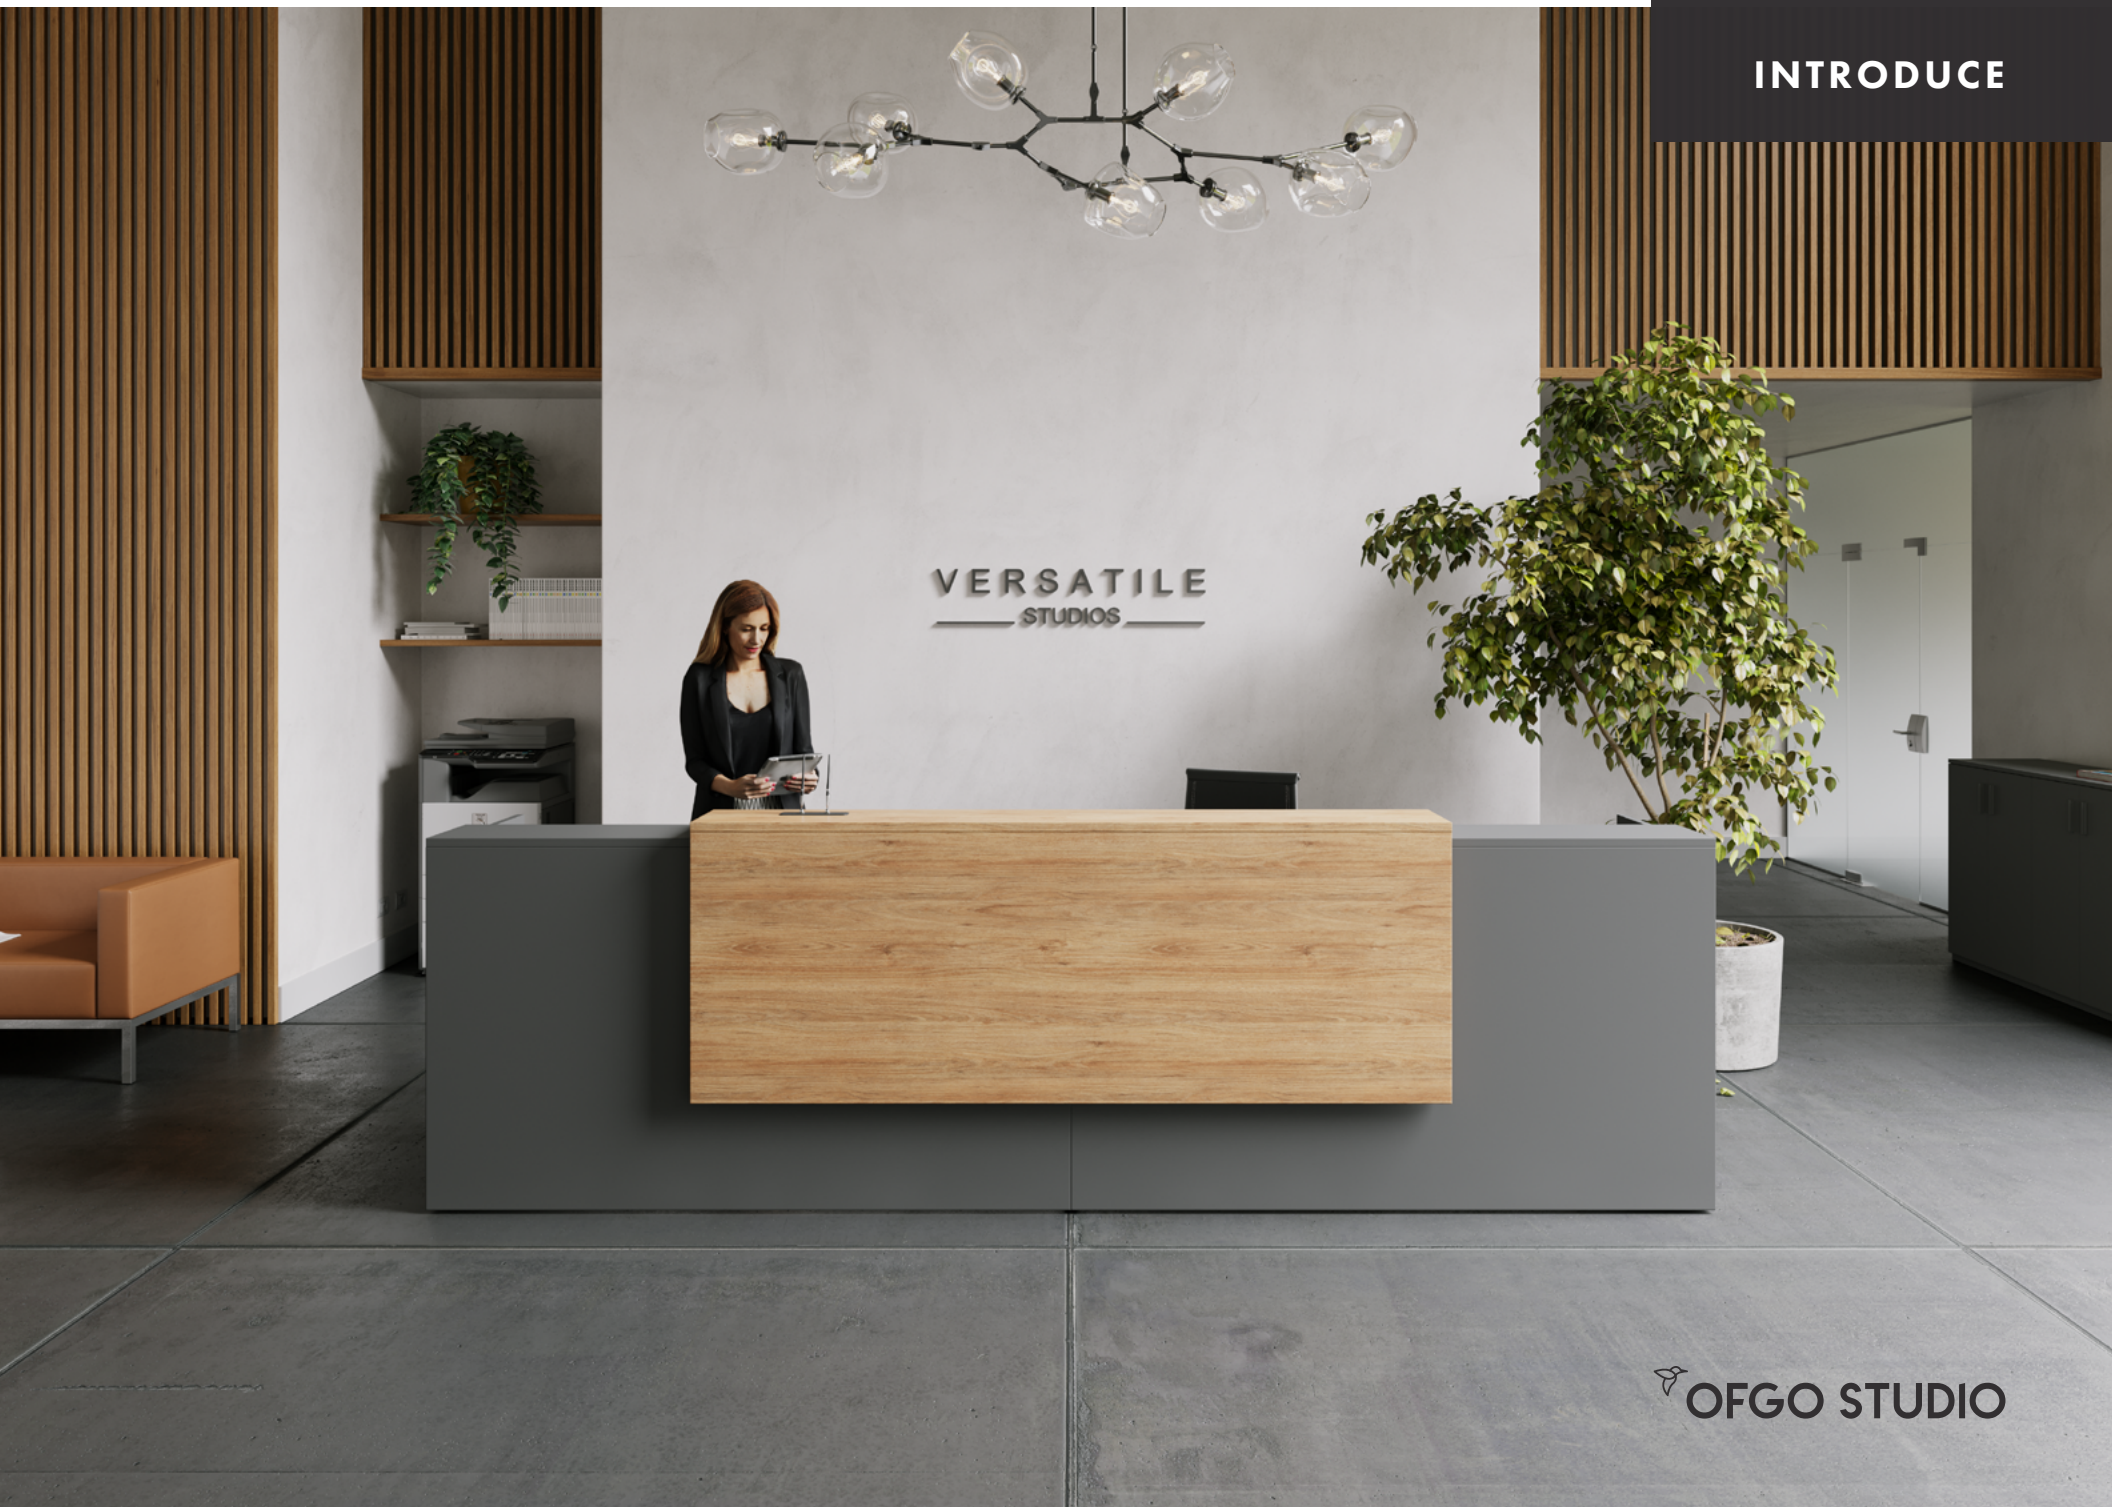
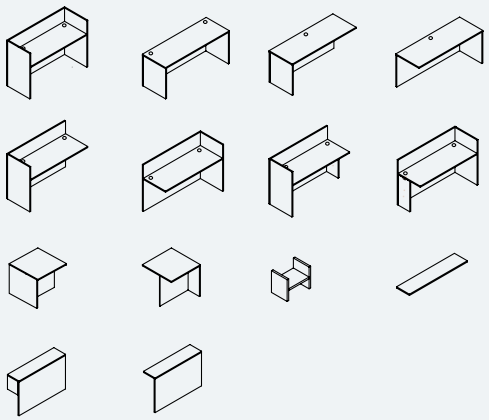
# INTRODUCE



OFGO STUDIO

**Statement of Line**



## Make an introduction with a positive first impression.

The INTRODUCE collection is an agile offering that adapts to its environment to make a lasting impression. Components are available in a wide variety of finishes, materials, sizes and styles for maximum planning possibilities.

- Stack on layers create a floating top appearance
- Joining counter top support allows for desktop paper management
- Available with a wheelchair accessible ADA add-on
- Versatile design creates a wide range of layout options
